Geography Bee Overview

Who does this benefit?

The Bee is hosted by the Thetford Historical Society. Proceeds are earmarked for collection preservation at the Society's Hughes Barn Museum, located on Route 113 in Thetford.

How will the contest be conducted?

There will be two divisions, based on age/grade level. A Youth division will include grades 5-8, and an adult division for teams grade 9 and older.

What is the format?

Questions will be based on all aspects of the Geography of **MIGRATION** (physical, cultural, political, etc.). A total of 30 questions are read aloud simultaneously to all teams in a division, alternating between Youth and Adult. We will have a short break after 15 questions with refreshments for teams to stretch, mingle, etc.

The questions are in a multiple choice format (A, B, C, and D). Teams hold up pre-printed cards to signify their answer. Correct responses are tallied to determine the winner and runner-up teams for each division. Prizes will be presented to winning teams of each division. In the event of a tie, a playoff round of five questions will be held.
